Flow Cytometry
Facility

UC Berkeley

The lab is open from 9:00 am until 8:30 pm Monday through Friday. Instruments are scheduled in advance on a first come, first served basis. Please call 642-2843 or stop by to check on instrument availability. Sorting time has to be arranged with the facility's operator. It is not unusual to schedule sort time two weeks in advance

The Beckman-Coulter EPICS XL-MCL, LSR II and FC-500 Analyzers are available after hours on a limited basis.
